

ONCOLOGY exchange

ESSENTIAL READING IN MULTIDISCIPLINARY CANCER CARE

Journal Supplements

Oncology Exchange offers print and/or online opportunities to reach the oncology health care professional audience. Articles or a collection of articles can be published on specific topics. Authors and co-authors of journal supplements are recruited by *Oncology Exchange* and must be Canadian KOLs, or members of the oncology health care professional multidisciplinary team. Supplement sponsors may suggest contributors who meet these criteria. Editorial supplement objectives determine the non-promotional or promotional status of the supplement.

Journal supplement* formats available:

- Symposia/conference coverage
- Special reports
- Opinion commentary
- Case studies
- Evidence-based review article or series of articles
- Clinical trial review summaries
- Round table discussions

* *Oncology Exchange* publishing standards for journal supplements adhere to the guiding principles of Health Canada, Rx&D, and PAAB. Disclosure of sponsorship is compliant with industry guidelines.

Cost: \$ 8,000 net/page

Cost includes editorial project management and coordination, liaison with author(s) and honoraria, editing and proof-reading, layout and 4-color graphic design, production, printing, mailing, archiving on www.oncologyex.com, and 25 office copies of *Oncology Exchange*.
